

MUSEUM OF TROPICAL QUEENSLAND

In line with Queensland Government's COVID-safe Roadmap to recovery, Museum of Tropical Queensland is open with changed entry conditions.

Changes include:

- Requiring visitors to complete a COVID tracing form (name, email and mobile number) on entry using a QR code on your phone.
- Cleaning frequently touched areas and surfaces regularly, and encouraging good hygiene practices for all visitors.
- Providing hand sanitiser stations.
- Monitoring visitor numbers.
- Establishing dedicated entry and exit points and contactless payment to minimise contact.
- Changing up our programming to promote social distancing.

What you can do to help

The health and safety of our visitors, staff and volunteers are our utmost priority. We ask that you please do not visit if you have knowingly come into contact with someone who has been diagnosed or exposed to COVID-19 in the last 14 days, or if you are unwell with flu-like symptoms including fever, cough, sore throat, runny nose or shortness of breath.

While you are here, please practice good hygiene and follow the directions provided by our friendly staff.

Stay up to date

We thank you for your patience with us during this time and look forward to seeing you at the museum. Follow our social media and sign up to our ENews for further updates.
